The Signal 51 Group is a volunteer citizen fire service group that supports the Shreveport Fire Department. The group was formed in 1969, and is proud of our association with the Shreveport Fire Department. It consists of men and women who are interested in the fire service and are willing to give their time and talents to promote the Shreveport Fire Department. The main field of action for the group is to provide canteen service at major fires, or during inclement weather, or when special called by the department to assist them as required. Our other area of involvement is the Shreveport Firefighters Museum. The group takes care of the antique fire engines and other memorabilia related to the Shreveport Fire Department which is in the group's possession.

TO BECOME A MEMBER OF THE SIGNAL 51 GROUP YOU MUST FULFILL THE FOLLOWING:

1. List the names of (2) Shreveport firefighters and (1) fire captain or higher officer as character references.
2. Pay a \$25.00 (non-refundable) initial membership fee (check or money order). Dues are \$100.00 per year payable on January 01, or ½ on January 01 and ½ on July 01.
3. Failure to pay dues on a timely basis will result in suspension from the group and the forfeiture of all rights and privileges of membership.
4. Your first year is a probationary period. During that time you may be voted out by a simple majority of the group for due cause. You will not be allowed to drive any fire rigs for the first 12 months. After this period you will be checked out and certified to drive and be added to our liability insurance.
5. Be willing to serve refreshments at major fires or incidents if called upon to do so.
6. Follow all traffic laws when responding to incidents. Do not use lights and/or a siren on your private vehicle unless you are a duly authorized police officer or firefighter and have authority to do so.
7. Abide by the rules as set forth by the Signal 51 Group and the International Fire Buff Associates manual.
